Report of the School Board.

To the Citizens of the School District of Mason,

GREETING:

During the past year there have been three schools in session. The scholars in Nos. 4 and 5 were transported to Nos. 3 and 1 Schools, and some have been sent to Ashby; Wilton and Greenville thus giving, as near as possible, every child in town an equal chance to get an education.

We have been fortunate in securing the services of Miss Frances E. Baier at the Center, and Miss Edith C. Whitaker at No. 2, in place of Misses Hosmer and Hall, who resigned at the close of the Spring term, and Miss Grace E. Gowen returning to No. 3, they have, without exception, proved themselves earnest and faithful in their work, and well qualified to perform the duties devolving upon them in their respective schools, and we feel that we can honestly say that we have as efficient a corps of teachers as any town in the State.

Singing has been taught in our schools under the most excellent instructions of Miss Annie P. Stevenson of Greenville, with the best of results, and we believe that a much more pleasant and united feeling has existed on account of this study.

Our financial year closing before our schools it has made it very difficult to get in all of our bills in season to be reported, so that in several cases the bills reported were for the year before, but by a special effort we have paid most of the bills for this year as well as those not reported last year so that in many cases the bills as reported at this time are for two years.

Your committee have intended to decide all questions in regard to our schools honestly, impartially, and for the best interests of all concerned, and we ask your hearty co-operation with us by having your children in attendance every day that school is in session and encouraging them to improve every moment of their time in getting an education which will be worth more to them as they go out into the world to do business for themselves than silver or gold.

Hoping we have given satisfaction as far as possible we would respectfully submit to you this as our annual report.
